

# Gloria in Dei

LUTHERAN CHURCH

Childcare during worship service will be open for infant-Kindergarten. A volunteer will check-in children; please observe physical distancing upon entering.

- Here are some changes moving forward:
- Please do not bring toys from home
  - Please do not bring snacks, as we will not be serving food in the room
  - Please bring a drink cup, with your child's name on it

If your child has had any symptoms in the last 24 hours necessitating any non-routine prescriptions or over-the-counter medications, we ask that you refrain from entering childcare until your child is symptom free for 72 hours.
