Worship Check-in Process

STEP 1 Pre-Screening

Before entering the Life Center doors, each household will complete a pre-screening questionnaire by either:

Scanning this QR Code

Or going to

bit.ly/gdlcstep1

Then, enter the Life Center and stop at Section 1 to show your answers on your smart phone..

STEP 2 Temperature Check

In the Life Center hallway, each person's temperature will be checked with a touchless thermometer. This includes all children.

Temperatures must be under 100.0°F.

STEP 3 Connection Card

Since we do not have any materials in the pewback, we are asking each household to continue using the online connection card to know and serve those worshipping with us today.

As you enter the Worship Center, you can use your own smart phone, or we will have someone at the door that can complete it for you on an iPad.
